Yard Duty & Supervision Policy

HELP FOR NON-ENGLISH SPEAKERS

If you need help to understand the information in this policy please contact the General Office on 5447 7722.

PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Crusoe College, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places.

Before and after school

Crusoe College's grounds are supervised by school staff from 8:45 until 3:30. Country bus travellers will be supervised at the Bus Interchange until 4:15 each day. Outside of these hours, school staff will not be available to supervise students.

Students who wish to attend school outside of these hours are encouraged to sign in and out of the front office or report to extra-curricular activities that may be operating.

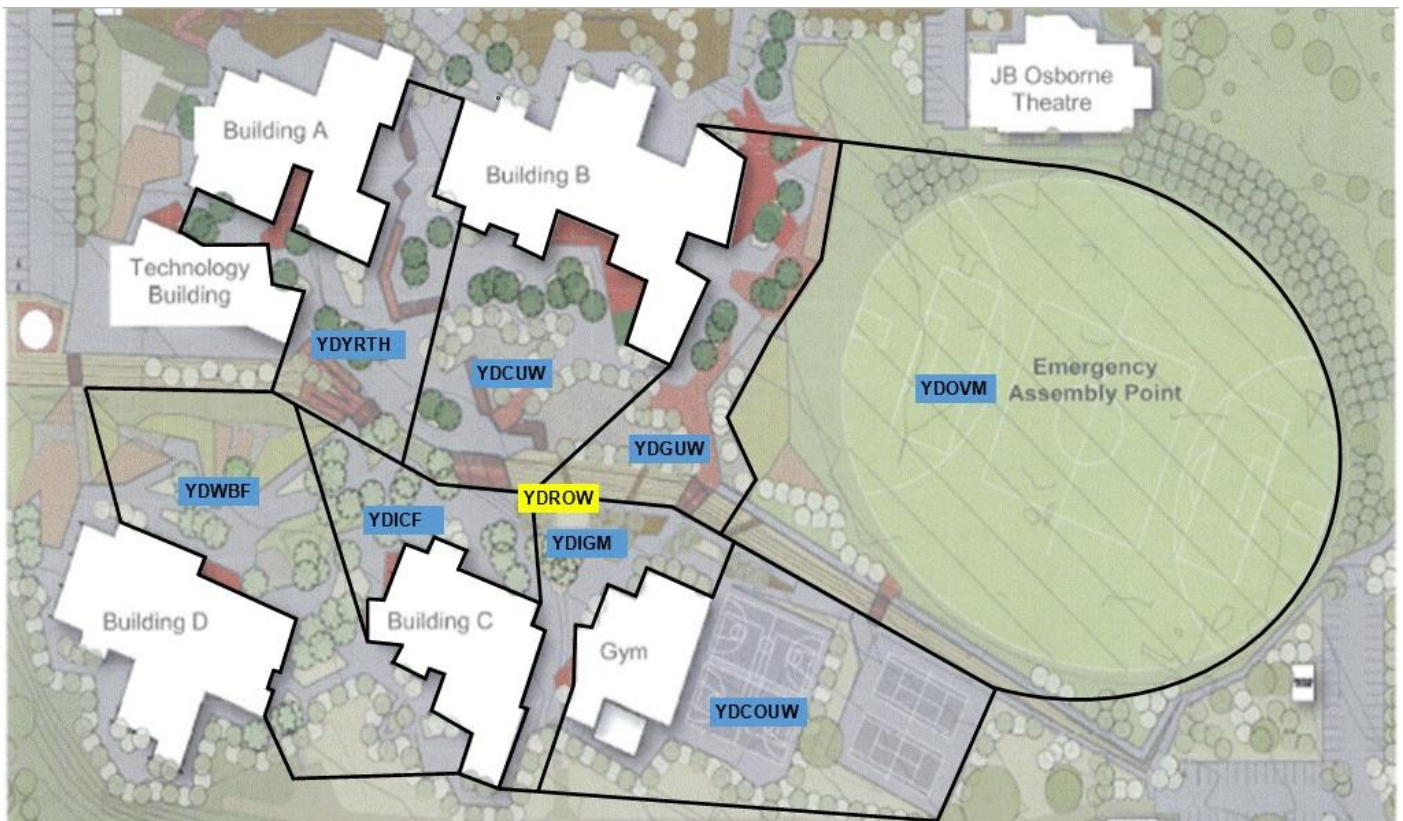

Yard duty

All staff at Crusoe College are expected to assist with yard duty supervision and will be included in the weekly roster. The Daily Organiser is responsible for preparing and communicating the yard duty roster on a regular basis. At Crusoe College, school staff will be designated a specific yard duty area to supervise.

Yard duty zones

The designated yard duty areas for our school as at Term 1, 2022) are:

Zone	Area
YDYRTH	Lower Yates (outdoors)
YDCUW	Lower Dyson Building (outdoors)
YDGUW	Lower Umbrellas / side of Admin
YDIGM	Upper Gym (outdoors)
YDICF	Upper Ipsen (outdoors)
YDWBF	Upper White (outdoors)
YDOVM	Oval
YDCOUW	Courts

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored [insert detail]
- carry the yard duty first aid identification tags at all times during supervision.
- Be familiar with the yard duty information pack containing student health and safety information

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Daily Organiser with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Daily Organiser but should not leave the designated area until the relieving staff member has arrived in the designated area. If the relieving staff member does not arrive for yard duty, the staff member currently on duty should notify the Daily Organiser and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the building's Community Leader along with the Daily Organiser for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved.

Digital devices and virtual classroom

Crusoe College follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Crusoe College will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in the space allocated for remote and flexible learning.

While parents are responsible for the appropriate supervision of students accessing virtual classrooms from home:

- student attendance will be monitored by the student's Advisory Teacher
- any wellbeing or safety concerns for the student will be managed in accordance with our usual processes – refer to our Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy and Procedures for further information.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Workplace learning programs

When students are participating in workplace learning programs, such as work experience, school-based apprenticeships and traineeships, and structured workplace learning, the safety and welfare of the student is paramount. Organising staff are required to follow all applicable Department of Education and Training policies and guidelines in relation to off-site learning, including policy and guidelines on the safety and wellbeing of students. Refer to:
