

## Subject Selections: Planning for Year 10 in 2024

Name: \_\_\_\_\_ Advisory Group \_\_\_\_\_

Careers I am interested in:

---

Subjects I am good at and enjoy doing:

---

Consider which level of Maths you will choose, remembering that some careers require higher levels of maths. Seek advice from your Maths teacher and ask them to sign that you have chosen wisely.

Maths Options at Year 10	Approval by Maths Teacher
1. Year 10 Advanced Maths 2. Year 10 General Maths	Name of Maths Teacher: _____ Signature: _____

Write your English and Maths choices in the table below. Select one **Science** and one **Humanities** module for each **semester**. Select four other modules in **preference order**. Please note: Students cannot select more than two different PE classes each semester.

Semester 1	Semester 2
English (Text):	English:
Maths:	Maths:
Science Module:	Science Module: <i>Different to Semester 1</i>
Humanities Module:	Humanities Module: <i>Different to Semester 1</i>
1.	1.
2.	2.
3.	3.
4.	4.

Have you discussed your Maths and English choices with your teachers? YES / NO

Have you discussed your choices with your parents/carers? YES / NO

### Parent/Carer approval:

I have discussed the above plan with \_\_\_\_\_ and agree that it meets the proposed student career pathway and/or strengths and talents.

Signed: \_\_\_\_\_

Date: \_\_\_\_\_
